Therefore, the school district will provide targeted professional development opportunities that assist administrative assistants to contribute positively to the district/building strategic plan.

This shall be accomplished through Article VIII, Section 7. Meet and Confer.

In addition, administrative assistants may request to attend other professional development opportunities that directly and positively impact the performance of their duties. This may include requests to attend teacher training events about professional issues like equity, inclusion, safety and de-escalation techniques. Such requests must be made to the building/department administrator or building staff development committee for budgetary consideration from building staff development funds. If approved, registration and mileage is reimbursable. Employees who have their request denied may ask the Director of Human Resources to ask the administrator or staff development committee for reconsideration. Employees will receive hourly pay when attendance is mandated or occurs during the employee's regular work time.

ARTICLE VIII

HOURS OF SERVICE

Section 1. Work Hours and Work Week: Working hours shall be determined by the school administration but a normal work week will be five consecutive 8 hour days, exclusive of lunch, for a total of 40 hours. The school district will provide a five (5) day notice of changes in work schedules. The School District reserves the right to adjust hours of positions as needed. One assistant position within a school office or within a department will not be increased at the expense of the other position decreasing unless the position being decreased in hours is vacant or in the case where administration and both employees voluntarily agree to the change (particularly in the case where FMLA or ADA accommodations are a factor). This requirement is in place even if there is more than one school year between the adjustment of hours.

Section 2. Full-Time Employee: A "full-time" employee for purposes of Insurance Benefits, Holidays, and Vacation are employees who are scheduled to work at least 30 hours per week.

Section 3. Call-Back: If an employee is called back to work outside of the employee's regular working schedule, the employee will be paid at an overtime rate with a two-hour guaranteed minimum.

Section 4. Overtime: For all hours paid beyond the basic schedule of forty (40) hours per week, overtime or compensatory time shall be earned on the basis of one and one-half times (1.5 x) the hourly rate. Overtime shall not be paid unless prior approval has been given by the employee's immediate supervisor. Additionally, hours compensated over eight (8) on conference days, open house days, orientation days, and days that include athletic registration and banquets shall be paid at a rate of time and one-half.

Section 5. Compensatory Time: Compensatory time may be taken in lieu of overtime payment for hours worked over forty-one hours. Compensatory time will accumulate at one and one-half times (1.5 x) the hours exceeding a forty-one (41) hour work week. Employees are not allowed to accrue more than 80 hours of compensatory time. Compensatory time off may be taken only with the approval of the employee's supervisor. All accumulated compensatory time earned as of June 30th of any year must be used before the following August 31st or, if not used, will be paid out to the employee at the employee's hourly rate of pay as of June 30 on the first pay period after August 31.

Section 6. School Closings: When students and teachers are not required to work from a school location on an occasional, short-term emergency basis (such as due to inclement weather, breakdown of equipment, etc.), an employee who normally works in the same school location who can perform the essential functions of their position from an alternate building location or from home may do so. An administrative assistant who is unable to work on such days may make up part or all of their missed hours for a school closure by performing meaningful professional development activities to a maximum of two (2) days annually. Employees may alternatively choose to use accumulated vacation time or personal leave time. In the case of employees who do not work 2,080 hours a year, they will be allowed to report to work on a day mutually agreed upon by the employee and their immediate supervisory to make up for the

cancelled day. In the event the employee has exhausted vacation or personal leave time, the employee may utilize their accrued sick leave time. Employees who have less than a five-day combined vacation/personal leave balance may choose to take a leave day without pay (maximum of three (3) days) in lieu of using vacation or personal leave.

If school is released early due to a building emergency or inclement weather, employees may be directed to work from home provided they can fulfill the essential functions of their position remotely but will not be reduced in pay for the remainder of the workday.

Section 7. Meet and Confer: The parties recognize the essential role regular communication plays in the establishment and maintenance of good employer-employee relationships. In order to best serve the students of the Farmington Area Public Schools the parties agree to meet for the purpose of collaboratively addressing concerns, clarifying school board policies and discuss other workplace issues.

Subd. 1. Each party may name up to three (3) representatives to attend a meet and confer session. Such meetings will be scheduled at mutually agreeable times when school is not in session including the summer.

Subd. 2. Either party may request to schedule a meeting and include the topic(s) of discussion. Efforts will be made to meet within three (3) weeks of the request to meet.

ARTICLE IX

PROBATIONARY PERIOD AND DISCIPLINE

Section 1. Probationary Period: The first ninety (90) working days in the School District shall be a probationary period during which time the School District has the unqualified right to suspend without pay, discharge or otherwise discipline the probationary employee. Alternatively, if performance does not meet district expectations, the school district may request an extension of the probationary period for an additional ninety (90) working days and such request will be granted. During such extension, the School District has the unqualified right to suspend without pay, discharge or otherwise discipline the probationary employee.

Section 2. Successful Completion of Probationary Period: An employee successfully completes the probationary period upon a written recommendation or completed evaluation from the employee's supervisor. An employee who successfully completes the probationary period may be suspended without pay, discharged or otherwise disciplined only for just cause. After completion of the probationary period, it is the expectation that all Administrative support staff will receive regular evaluations of their performance.

Section 3. Employee Evaluation: Administrators will sit down privately with employees to review their performance evaluation. Administrators are expected to complete an evaluation of employees who work less than 12 months by May 1 of each fiscal year so that concern areas can begin to be immediately improved. The employee will have a right to attach a response to the evaluation that is stored in the employee's personnel file.

Section 4. Change of Classification:

Subd. 1. An employee who is transferred or promoted to a different classification shall serve a new probationary period of sixty (60) working days in the new classification. If the employee's performance in the new classification during the sixty (60) day probationary period is unsatisfactory, the School District shall have the right to reassign the employee to the employee's former classification.

Subd. 2. An employee who has been voluntarily transferred or promoted to a new classification may within ten (10) working days request and be granted a return to their previous position. This section does not apply to classification changes approved by the Job Evaluation Committee.

Section 5. Discipline: The purpose of this Article is to set forth the procedures for and the conditions under which employees may be disciplined. All discipline shall be subject to the grievance procedure, except as modified herein. All discipline administered shall have remediation as its goal, except in cases of termination.

Section 6: Progressive Discipline: Discipline shall normally occur in the following sequence, however the employer can apply appropriate levels of discipline when egregious acts occur:

1. Oral Reprimand. An oral reprimand shall only be given to an employee in the presence of a union representative, unless the employee waives that right.
2. Written Reprimand. A written reprimand shall become part of the employee's personnel file. Prior to placement in the personnel file, the employee shall be presented with a copy of the written reprimand, with a copy forwarded to the union president.
3. Suspension Without Pay. An employee may be suspended without pay for just cause provided that the first two steps in this procedure have not remediated the conduct of the employee or the conduct was so egregious that it warranted moving to suspension without pay immediately. The Personnel Director shall give written notice of the suspension to the employee and the union president, describing the reasons for the suspension.
4. Suspension With Pay. An employee will receive paid salary in the event of a suspension where there is an ongoing investigation, but no decision has been reached on the status of the employee, or the district's decision in the case.
5. Termination. Dismissal for just cause shall be in accordance with this Agreement and other relevant statutes.

Section 7. Discharge: No employee who has satisfactorily completed the initial probationary period shall be discharged without having been afforded an opportunity to hear the reason(s) for the discharge and without an opportunity to offer an explanation of the relevant facts and

circumstances surrounding the events which preceded the discharge and/or any extenuation or mitigating circumstances which the employee believes is relevant to the discharge decision. Whenever possible and practical, such opportunities shall be provided in a conference, which shall be conducted after advance notice to the employee and the union president. A union representative shall be permitted to attend the conference if requested by the employee.

ARTICLE X

SENIORITY & LAYOFF

Section 1. Acquiring and Determining Seniority Standing: Employees shall be entitled to seniority standing upon successful completion of the probationary period. Employees will be assigned seniority on the basis of their most recent date of hire in the Bargaining Unit. An approved leave will not be considered a break in service.

Section 2. Seniority List: The school district shall publish a seniority list, by classification, by October 1st of each year.

Section 3. Loss of Seniority: Seniority standing shall be lost for any of the following: voluntary quit, discharge for just cause, failure to respond to an appropriately delivered (certified mail) recall notice within ninety-six (96) hours, failure to return to work on the start date of an accepted recall position, failure to accept a recall or bumping option that is within the same classification and within 20% of the scheduled hours of the position from which the employee was reduced/laid off/bumped or layoff for more than 24 months.

Section 4. Seniority Preferences: Employees shall be entitled to consideration of seniority in connection with layoff, recall and vacancies. Seniority also is used in determining vacation schedules.

Section 5. Layoff, Bumping and Recall: The employee with the least seniority in the classification of the position identified for reduction or elimination shall be considered first for layoff. In the event of a layoff, the School District will notify the employee(s) affected and the union president at the earliest opportunity. At a minimum, the School District will give the employee(s) affected at least fifteen (15) working days' notice. An employee cited for reduction or elimination of a position, who has greater seniority and is qualified, shall have five (5) working days to bump the least senior employee in the same or lower classification who has the same, fewer or up to 20% more scheduled annual working hours using the following procedure:

Be offered or be recalled to a vacant position within the same job classification, with the same number of scheduled hours that the employee worked before layoff or reduction of hours. If no such vacant position exists at time of recall, then:

1. Be offered a vacant position within the same job classification with fewer hours than the employee worked just before layoff or reduction in hours. If no such vacant position exists at time of recall or the employee rejects this option, then:

2. Be offered a vacant position within the same job classification with up to 20% more hours than the employee worked just before layoff or reduction in hours. If no such vacant position exists at time of recall, then:
3. Be offered a vacant position in a lower job classification regardless of the number of hours of the vacant or previously filled position. If no such vacant position exists at time of recall, or the employee rejects this option, then:
4. Displace the least senior employee within the same job classification, with the number of hours closest to the hours the employee previously worked (including up to 20% more hours than the employee previously worked). If none, or the employee rejects this offer to take a position in a lower classification which would provide hours closer to the number of hours that the employee worked previously, then:
5. Displace the least senior employee in the next lower classification with the number of hours closest to the hours the employee worked previously (including up to 20% more hours than the employee previously worked). If none or the employee rejects this offer to take a position in an even lower classification which would provide hours closer to the number of hours that the employee worked previously, then:
6. Continue with the process outlined in #6 for lower classification positions until there is no viable position available.

The process listed above will continue until all affected qualified employees have been placed in an appropriate position, are placed on layoff status, or are terminated after declining a qualifying position as described above.

An affected employee has the option to reject a position or bumping option and remain on layoff for up to twenty-four months if the position(s) offered to the employee is/are more than 20% fewer scheduled hours or is in a lower classification than the position the employee previously worked just prior to layoff.

The annual scheduled hours for an affected employee who has two part time positions within the same job classification may be added together for recall/bumping purposes. The annual scheduled hours for an affected employee who has two part time positions in two different classifications will be treated separately or may be combined for a position in the lower classification for recall/bumping purposes.

Employees may not use this process to transfer or displace another employee in order to move to a position in the same or lower classification with the same or fewer number of hours as the employee already has in the reduced position.

In no event may an affected employee be recalled, bump or be placed in position in a higher job classification through this bumping/recall process.

The School District shall recall employees in layoff status for future open positions in order of seniority using the same process as described in #1 to #3 above, provided that such employee has the qualifications for the position as determined by the School District. If there are no employees on the layoff list who are entitled to recall, then the open position shall be posted as described in this contract.

Any notice of bumping/recall shall be made by e-mail, by certified mail return receipt requested to the last known address of such laid off employee, or by other methods as agreed to between the parties at the time of layoff/reduction/recall. Response to this notice shall be made to the School District within ninety-six (96) hours after the date of receipt of such notice or less time as agreed to between the parties at the time of layoff/reduction/recall.

Section 6. Vacancies: A vacancy occurs when an existing position becomes unoccupied or when a new position is created or when a part-time position that is not eligible for benefits has an increase in hours making the position eligible for benefits.

Subd. 1. Posting: Vacancies shall be awarded to employees on recall first pursuant to Article IX, Section 6. If no qualified employee is on the recall list, notice of vacancies shall be sent to the district email address of all the bargaining unit members. The notice of vacancy shall include the qualifications required for the position and shall be considered open for a minimum of five (5) working days. Employees who wish to be notified of vacancies during the summer shall provide an email address to human resources by June 5th of each year.

Section 7. Transfers: A transfer is a change in job position or work site.

Subd. 1. Involuntary Transfer: The school district shall seek voluntary transfers before making an involuntary transfer. The least senior qualified employee in the same classification as the vacant position shall be selected when an involuntary transfer is made.

Subd. 2. Voluntary Transfer: Employees may submit an application in writing for any vacancy posted, including promotions to a higher classification. All current administrative support staff who apply shall receive an interview. The School District shall consider the applicant's seniority, experience, qualifications, aptitude, past evaluations and other relevant factors in making its determination and will fill the position with the most qualified candidate. In such cases where an outside applicant is hired, the internal applicants and the Union President will be notified in writing or via e-mail as soon as possible.

Arbitration.

Subd. 1. Referral to arbitration. If the response of the chief administrative officer or designee is not received within the period provided in part 5510.5160 (step three) or is not satisfactory, the exclusive representative may serve written notice on the employer of its intent to refer the case to arbitration within ten days after the response required by part 5510.5160 (step three) is due.

Subd. 2. Selection of arbitrator. Within ten days of the service of written notice of intent to arbitrate, the employer's chief administrative officer or designee shall consult with the

agent of the exclusive representative and endeavor to mutually agree upon an arbitrator to hear and decide the grievance. If the parties do not agree upon the selection of an arbitrator, either party may request a list of impartial arbitrators from the bureau. The parties shall alternately strike names from a list of five names to be provided by the bureau until only one name remains, and the remaining name shall be the designated arbitrator. The determination of which party will commence the striking process shall be made by mutual agreement or a flip of a coin. If one party refuses to strike names from the list provided by the bureau, the other party may serve written notice of this fact upon the bureau, with a copy to the offending party. Unless it is confirmed that the parties have otherwise selected or agreed upon an arbitrator within three days of service of the notice of refusal or failure to strike names, the bureau shall designate one name from the list previously provided to the parties and the person so designated by the bureau shall have full power to act as the arbitrator of the grievance.

Subd. 3. Arbitrator's authority. The arbitrator shall have no authority to amend, modify, add to, or subtract from the terms of an existing contract. The decision and award of the arbitrator shall be final and binding upon both parties.

Subd. 4. Arbitration expenses. The employer and the exclusive representative shall share equally the arbitrator's fees and necessary expenses. The party requesting the cancellation and any fees incurred, as the party requesting the clarification shall pay the result of a request for clarification shall pay cancellation fees. Each party shall be responsible for compensating its own representatives and witnesses except to the extent provided by part 5510.5180, subpart 1.

Subd. 5. Transcripts and briefs. Because arbitration is intended to provide a simple, speedy alternative to litigation processes, the use of transcripts and briefs should be considered only in exceptional circumstances. If a verbatim record is required, it may be prepared providing the party desiring the record pays the cost and makes a copy available to the other party and the arbitrator without charge. The arbitrator may maintain written notes of the hearing and may use an electronic recording device to supplement the note taking. These notes shall be considered the arbitrator's private and personal property and shall not be made available to the parties or another third party. If the arbitrator to supplement the arbitrator's notes uses a recording device, the arbitrator shall retain the recording for a period of 90 days following the issuance of the award.

Processing of Grievance.

Subd. 1. Release time. To the fullest extent feasible, the processing of grievances under parts 5510.5110 to 5510.5190 shall be conducted during the normal business hours of the employer. Employees designated by the exclusive representative shall be released from work without loss of regular no overtime earnings as a result of their necessary participation in meetings or hearings held pursuant to parts 5510.5110 to 5510.5190, whenever such release is consistent with the ability of the employer to conduct safe and reasonable operations. No more than three employees shall be entitled to compensation for participation in a single meeting or hearing with respect to any one grievance.

Subd. 2. Waiver of steps. The parties may by written mutual agreement waive participation in the grievance steps in parts 5510.5140 to 5510.5160 and may similarly agree to extend the time limits established by parts 5510.5140 to 5510.5170.

Subd. 3. Time limits. A failure to raise a grievance within the time limits specified in part 5510.5140, or to initiate action at the next step of the procedure in parts 5510.5140 to 5510.5170 within the time limits in these parts shall result in forfeiture by the exclusive representative of the right to pursue the grievance. A failure of an employer representative to comply with the time periods and procedures in parts 5510.5140 to 5510.5170 shall require mandatory alleviation of the grievance as requested in the last statement by the exclusive representative.

ARTICLE XII

LEAVES OF ABSENCE

Section 1. Paid Sick Leave:

Subd. 1. Accrual and Maximum Accumulation: Employees shall accrue sick leave at the rate of one hour for each 18 hours of service in the employ of the School District. Unused sick leave days may accumulate to a maximum credit of 1200 hours of sick leave per employee.

Subd. 2. Authorized Use: Use of paid sick leave shall be allowed by the School District whenever an employee's absence is found to have been due to illness which prevented the employee's attendance and performance of duties on that day or days. Elective surgery should be scheduled outside of regular work hours whenever possible. A planned absence of more than three days that is needed for reasons other than an emergency surgery shall require a written recommendation from a qualified physician prior to approval from the building supervisor or human resources to constitute authorized use. Use of paid sick leave also will be allowed for the illness of the employee or employee's spouse's immediate family. Immediate family will be defined as husband, wife, children, grandchildren, parents, grandparents and siblings (including in-laws and step relatives of the same degree), and upon submission of a notarized healthcare directive to Human Resources, a loved one who has appointed an employee as an agent to make health care decisions and/or instructions about the health care choices for the loved one under Minnesota Statute 145C.02.

Subd. 3. Medical Certification: The School District may require an employee to furnish a medical certificate from a qualified physician as evidence of illness, indicating such absence was due to illness, or, in the case of the illness of a family member, that the illness is of a nature demanding the employee's presence, in order to qualify for use of paid sick leave. In the event a medical certificate will be required, the employee will be so advised.

Subd. 4. As of July 1, 2016, an employee who transfers or is hired from another position within the school district to a position in the Farmington Administrative Support Staff bargaining unit without a break in service will be allowed to transfer all of his or her previously accrued but unused sick leave hours to the new position.

Section 2. Use of Sick Leave Incentive: As of July 1, 2008, any member working an entire school year is eligible to participate in an incentive program. Employees who have not been absent because of illness during the fiscal year due to their illness or the illness of a family member have the opportunity to exchange four (4) of their days of sick leave for payment at the employee's base hourly rate of pay (excluding longevity) buy-back rate. Such employer payment will be made to the employee's 403b Tax Sheltered Annuity. Employees who have had no more than a total of two (2) days absence because of illness during the fiscal year due to their illness or the illness of a family member, have the opportunity to exchange two (2) of their days of sick leave for payment at the employee's base hourly rate of pay (excluding longevity) buy-back rate. This employer payment will be made at the end of the fiscal year to the employee's 403b Tax Sheltered Annuity. Hours paid will be deducted from the employees sick leave accrual.

Section 3. Sick Leave Bank: Employees who have agreed to participate in the sick leave bank who have a significant illness or a spouse with a significant illness shall be allowed, upon qualifying to utilize days from the sick leave bank. A significant illness is defined as a medical/psychological condition that would cause the employee to be absent six (6) weeks or more from his/her present position. A medical certificate from a qualified physician or psychologist is required as evidence of illness.

Subd. 1. Employees shall be offered the opportunity to join the sick leave bank on December 1st following 12 full months of employment in the administrative support staff/educational assistants' units and shall be notified by the union of their eligibility. Participation requires a donation of a minimum of five (5) hours of sick (personal or vacation) leave. If a unit member chooses not to participate in the donation of hours, the member forfeits any future access to the sick leave bank. At such time when the bank is reduced to two hundred hours or less, a member must be willing to donate at least five (5) hours to retain eligibility. If at that time a member does not have five (5) hours to donate, they must do so as soon as they have accumulated five (5) hours.

Subd. 2. Every second week of December, participants have the option to donate a minimum of five (5) hours or up to a maximum of sixteen (16) hours of unused sick (personal or vacation) leave. between the minimum and maximum, members may decide on the number of hours to donate based on their own situations and accumulation of sick hours.

Subd 3. Sick bank days shall be awarded in six (6) week blocks of work hours depending on the individual's work assignment. If during the awarded time the individual is able to return to work, the unused sick leave shall be returned to the bank. Participants must use their own accumulated sick leave, personal days and vacation before accessing sick bank hours.

Subd. 4. A participant shall only be eligible to receive the one (1) six (6) week block of hours from the sick leave bank during any three (3) year period. Year one (1) would begin on the first day the sick leave bank days are awarded.

Subd. 5. Any participant ending the school year with a maximum allowable accumulation of sick hours, according to their individual contract, will be allowed to place any unused sick leave from the preceding year up to a maximum of forty (40) hours into the sick leave bank. The employee must notify the Payroll and Benefits department in writing prior to June 30th regarding placing unused sick leave into the bank.

Subd. 6. Any participant who is retiring or ending their employment with the District shall be allowed to donate up to ten percent (10%) of their accumulated sick leave into the sick leave bank. The employee must notify the Payroll and Benefits department in writing prior to their last day of employment of their desire to do so.

Subd. 8. Eligibility decisions are not subject to the grievance process.

Section 4. Child Care Leave:

Subd. 2. An employee making application for childcare leave shall inform the superintendent or designee in writing of intention to take the leave at least three calendar months before commencement of the intended leave. Commencing on the date of birth, the district shall grant employees giving birth up to six (6) continuous calendar weeks or the number of weeks the employee is on temporary disability. The district shall allow employees to use any accrued paid sick, vacation and personal leave for this leave, the remainder of which shall be unpaid, as provided under the Family Medical Leave Act (FMLA). Sick leave may not be used on non-duty days. Non-duty days, such as breaks, holidays, summer, and weekends count toward continuous calendar weeks for disability leave purposes.

Subd. 3. After consultation with the employee, the school district may adjust the proposed beginning or ending date of a child care leave so that the dates of the leave are coincident with some natural break in the school year; i.e., winter vacation, spring vacation, semester break or quarter break, end of a grading period, end of the school year, provided this does not affect the health or safety of the mother or child.

Subd. 4. In making a determination concerning the commencement and duration of a child care leave, including sick leave for the period of disability, the School Board shall not in any event:

A. Grant any leave more than twelve (12) months in duration.

B. Permit the employee to return to his/her employment prior to the date designated in the request for childcare leave.

Subd. 5. An employee returning from childcare leave shall be reemployed in a position for which the employee is qualified unless previously discharged or released from employment.

Subd. 6. An employee returning from childcare leave shall verify their intended return date with the Human Resource Office one week prior to their return.

Subd. 7. Failure of the employee to return pursuant to the date determined under this section shall constitute grounds for termination in the school district unless an extension of the leave is reached by mutual agreement.

Subd. 8. The period of time for which the employee is on child care leave shall not be counted in determining the completion of the probationary period.

Subd. 9. An employee on child care leave is eligible to participate in group insurance programs if permitted under the insurance policy provisions, but shall pay the entire premium for such programs as the employee wishes to retain, commencing with the beginning of the child care leave. The right to continue participation in such group insurance programs, however, will terminate if the employee does not return to the district pursuant to this section.

Adoption leave will commence at the date of home placement, and may be for a period of up to one year, as mutually agreed upon between the employee and the district prior to such leave.

Subd. 3. The employee returning from adoption leave shall be re-employed in a position for which the employee was qualified prior to the leave, providing the employee returns on the date designated on the request for leave which was approved by the school district unless an extension of the leave is reached by mutual agreement.

Subd. 4. The provisions of Article IX, Section 5, subs. 7,8,9,10 and 11 shall apply.

Subd. 5. An employee shall be allowed to take up to thirty (30) days of leave to be subtracted from sick leave upon the arrival of his/her adopted child.

The supervisor may limit the number of employees excused on a given day as necessary to maintain a balanced workforce of experienced employees. An employee may appeal such a decision to the superintendent or his/her designee. Further, personal leave shall not be granted for the day preceding or the day following holidays or vacations, and the first and last days of the school year except for the following reasons or necessary travel associated with the following reasons:

Requests for payout of personal leave days or when the maximum accrual has been reached will be redeemed at the end of the school year at \$100 per day and this employer contribution will be paid into the employee's 403b Tax Sheltered Annuity.

Subd. 2. An additional two (2) personal leave days shall be granted to employees who do not qualify for vacation under the terms of this contract and who work thirty (30) hours or more and ten (10) months per year, or who work less than thirty (30) hours per week for ten (10) month or longer.
