

Students logging into TestNav.

<ol style="list-style-type: none"><li>1. Verify Minnesota is listed above the Sign In box.</li><li>2. If taking the math or Science test, have students click the Test Audio button to verify that the volume is loud enough. Adjust volume on the iPad as necessary BEFORE logging into the test. Once logged in, the volume cannot be adjusted.</li></ol>	 <p>The screenshot shows the TestNav Sign In interface. At the top, the word "Minnesota" is highlighted with a red oval. Below it is a "Sign In" form with fields for "Username" and "Password", and a "Sign In" button. To the right of the form is a "Test Audio" button, which is circled in green.</p>
<p>If "Minnesota" is not listed above the Sing In Box, select Choose a different Customer from the Person dropdown in the upper right corner.</p> <p>Then Select Minnesota from the list of available tests.</p>	 <p>The screenshot shows the TestNav Sign In interface. In the top right corner, a dropdown menu is open, showing options: "App Check", "Sign into TestNav", and "Choose a different customer". The "Choose a different customer" option is highlighted with a red oval. The "Minnesota" text above the sign in form is also visible.</p>
