

Farmington Area Community Education - Aquatics

Even though we have received deliveries over the years ... we are NOT:-

The Farmington, MI (Michigan) Falcons

The Farmington, NM (New Mexico) Scorpions

The Farmington, CT (Connecticut) Indians

The Farmington, MO (Missouri) Black Knights

The Farmington, UT (Utah) Phoenix

The Farmington, IL (Illinois) Farmers

WE are the Farmington Tigers!

At the pool, we are also currently:-

A staff of 40 lifeguards ... 17 of whom are additionally certified as American Red Cross WSI's

- ❖ 22 current Farmington High School students
- ❖ 2 current Northfield High School students
- ❖ 10 college students in 4 different states
- ❖ 1 current Farmington High School teacher (and swim coach)
- ❖ 1 current Farmington graduate working mom (and swim coach)
- ❖ 1 aquatic coordinator (me)

Fun Facts about the pool at Levi Dodge Middle School:-

- ❖ the pool contains 271,100 gallons of water – which weighs 2,260,000 pounds.
- ❖ the pool is 3 feet 8 inches along the shallow end wall and is 13 feet deep under the diving boards.
- ❖ the most people in the water at one time was 121 during an open swim.
- ❖ during the girls and boys swimming & diving season, the pool temperature is set at 80 degrees.
- ❖ during the spring and summer, the pool temperature is set at 82 degrees.
- ❖ CE offers 13 different sessions throughout the year to the general public, plus three additional ones: to our School Age Care group, one with Randolph CE, and one with Small World Child Care.
- ❖ CE group lessons consist of: a parent/child class; 2 preschool classes; 6 American Red Cross “Learn-to-Swim” levels; and a springboard diving class.
- ❖ other activities include: adaptive and semi-private lessons, open swim, pool parties, PE classes, and occasionally athletic teams (CC, basketball, wrestling, and track & field) have had a "pool" practice.
- ❖ the Tigersharks Swim Club practices at the pool 12 months a year and hosts 5 swim meets each year.
