

Levi P. Dodge Middle School ~ Swimming Pool

Did you know that.....

- the indoor pool at Levi Dodge Middle School open in April 1998
- the pool contains a little over 271,000 gallons- which weighs 2,260,000 pounds
- at its deepest point, the pool is 13 feet 0 inches deep
- the most number of people in the water during an open swim was 121
- during the fall (FHS girls' swim & dive) and the winter (FHS boys' swim & dive) seasons, the pool temperature is set at 80 degrees so that the swimmers don't overheat during practices
- during the spring and summer, the pool temperature is set at 82 degrees
- our group swim lessons include: a parent/child class, 2 preschool classes, 6 American Red Cross "Learn to Swim" levels, and springboard diving.
- we also have smaller classes: adaptive lessons and Semi-Private Lessons
- open swim is offered on a variety of days throughout the year
- you can rent the pool for birthday parties or other group/team parties
- check out: www.farmingtonpool.com for updates on lessons, open swim, and rentals
